

GADIDAMALLA THANGELLA

- "Aspiring Unity Developer adept in C# programming with a passion for game development. Proficient in Unity and Unreal Engine, eager to leverage these platforms to create engaging experiences. Skilled in Photoshop, Blender, and Autodesk Maya, continuously enhancing abilities to contribute effectively to game development projects. Eager to apply knowledge and enthusiasm to grow and excel in the field of game development."
- My coursework and personal projects have equipped me with a strong foundation in game design, 2D/3D graphics, and programming languages such as C# and Unity. I have a keen eye for detail, a passion for Storytelling, Level Design and a deep understanding of player engagement principles.
- Currently pursuing my Degree, I am eager to apply my Knowledge and expand my skills through a challenging opportunity.
